HPUD POLICIES AND ORDINANCES All relative Heber Public Utility District Resolutions, Policies & Ordinances will be in effect and enforced at all HPUD facilities. There are regulations governing sound and noise levels, pets, animals, parking, vehicle access, etc... per the Parks and Recreation Facilities Use Policy.

During the rental of HPUD facilities, renter agrees to comply with all local, state and federal nondiscrimination laws, regulations and policies. The HPUD reserves the right to terminate your event if city staff, in good faith, perceives that you or your guests pose a risk to the safety of persons or property on the premises or that you or your guests are violating local, state, or federal laws.

Upon verbal notice from HPUD staff or the Sheriff that your event is being terminated, you and your guests must leave the premises immediately, and you will not receive a refund of your rental fee. You will be responsible for the prompt removal of any personal items brought to your event. Noise volume must be contained within the boundaries of the park/building.

This rule will be strictly enforced by the HPUD Rental Monitor. If you fail to comply with this rule, the Sheriff may be called, and you may be issued a Civil Infraction (punishable by a fine of \$250.00 or prosecuted as a misdemeanor). Items not included will be determined on a case-by-case scenario.

3752.1 Person Subject to Eviction: A Person is subject to eviction from a park when all of the following conditions occur:

- The Person is in violation of a park rule or regulation.
- The Person has been warned in a manner that is reasonably calculated to reach said Person that eviction may result from any further violation.
- After receiving such warning, a further violation occurs.
- Imposition of a lesser sanction will not reasonably suffice to cure the existing or ongoing violation of this policy.
- Where a violation of this policy is of such magnitude or seriousness as to pose an immediate threat of violence or other disruption of the public health, safety or welfare, no warning will be necessary prior to eviction.

3752.2 Person or Group Subject to Eviction: A Person or Group is subject to eviction from a park when any one of the following conditions occur and no lesser sanction reasonably appears to suffice:

- There is probable cause to believe that an unlawful assembly* exists pursuant to California Penal Code Section 407, as determined by an officer of the law.

* An unlawful assembly is defined as follows: Whenever two or more person assemble and acting together to do an unlawful act, or to do a lawful act in a violent, boisterous or tumultuous manner, such assembly is an unlawful assembly.

- There is a clear and present danger of imminent violence which cannot reasonably be forestalled without eviction.
- There exists a Group sponsored or organized activity which violates one or more park rules and regulations and such Group sponsored organized activity has not ceased as a result of one or more warnings given to the group as a whole.
- There are multiple individual violations of park rules and regulations which have not stopped following the eviction of one or more such individual violators and violations continue after the Group has had a reasonable opportunity to cure them.

3752.3 Group Picnics or Public Gatherings-User Permit Required: No Person shall cause any picnic or public gathering involving the attendance of more than fifty (50) individuals to be held in any park without first obtaining a User Permit and signing the District's Indemnification form. User Permits will be issued on a first come, first served basis. Permits will continue to be issued until previously issued permits have exhausted the capacity of the park sought to be used.

3752.4 Group Picnics or Public Gatherings-District Certificate of Insurance Required: Picnics or public gatherings numbering 150 attendees or more must also secure a User Permit

from the District on a first come, first served basis. Such groups must also obtain a certificate of insurance policy of at least \$1,000,000 naming the District as an additional insured.

3752.5 Reserving Park Spaces and Recreation Center: Any user groups desiring to reserve a designated space in a park or the Recreation Center for a picnic or public gathering may do so by obtaining a User Permit, paying the fees called out in the District's Fee Schedule and signing the District's indemnification form. Groups of 150 or more persons must also meet the insurance requirements indicated above. Reservations may be made no more than six (6) months in advance for residents and no more than (3) months in advance for non-residents.

3752.6 Reserving Athletic Fields or Recreation Center: Any user groups desiring to reserve a designated athletic field including the baseball field and soccer fields at Tito Park, which have lights for night use, may do so by obtaining an Athletic Field Use Permit, paying the fees called out in the District's Fee Schedule and meeting the insurance requirements.

3752.6(a) Required Procedures: All groups, including any HPUD sponsored leagues, must adhere to the following procedures before they will be assigned a field location(s) for their league, team or event. Groups with Permits have priority on field usage.

3752.6.1 Reservations for Athletic Fields and Recreation Center Required Timeline: No later than two (2) weeks prior to the start of the season or scheduled event (i.e., weekend softball tournament), the sponsoring group must submit: (1) an Athletic Field/Recreation Center Permit Request (attached); (2) proof of non-profit status (if applicable) and; (3) a copy of the group's Liability Insurance Certificate. (sample attached).

3752.6.2 Issuance of Athletic Field and Recreation Center Use Permit: Upon receipt of the Request, the HPUD will calculate the permit fees, if any, and determine the availability of the requested field/center location(s) based on the priority criteria defined in Section 3752.6.4 below. HPUD will then issue an Athletic Field Recreation Center Permit (attached). Field Permits will be issued for a maximum of four (4) consecutive months. Recreation Center permits are issued by event not to exceed one month. If league play will extend beyond four (4) months, the league must apply for an extension. If the event or activity being held in the Recreation Center exceeds one month, an extension must be obtained. The extension must be received two (2) weeks prior to the end date of the original Permit.

3752.6.3 For all youth leagues and recreation activities, after the Athletic Field and Recreation Center Use Permit is issued, and no later than 7 calendar days after the start of league play, copies of (1) practice schedules; and (3) player rosters (name, HPUD of residence, phone number) must be submitted or on file with HPUD.

3752.6.4 Prioritizing Use of Athletic Fields and Recreation Center: HPUD issues Permits and makes field reservations in the following order of priority:

1. HPUD sponsored leagues and events.

2. Heber Elementary School District then other Districts working in cooperation with HPUD events.
3. Existing youth leagues or indoor youth activities based in Heber. Leagues must be in good standing with their organization and provide proof of insurance and compliance with their league rules and regulations to the HPUD. If more than one group requests use of the same field or recreation center, priority will be given to the league with the greatest number of participants who are residents of Heber. For example, if a baseball league requests use of Tito Huerta Field and has 28 players from Heber and a football league with 228 Heber players also requests Tito Huerta Field for the same time period, the Permit will be issued to the football league.
4. Travel youth teams (in good standing as stated above) based in Heber. A team will be considered based in Heber if one or more of the adult sponsors of the team and a minimum of 20% of the players are residents of Heber. In the event of a tie, and if the coaches of the youth teams are unable to agree to sharing the field times, the tie breaker will be determined by the number of years the youth teams have been in good standing with their organization and the HPUD.
5. Youth indoor activities from any where in the County. A youth activity that requests use of the recreation center will be given priority based on the number of participants who live in Heber. A monthly meeting or activity schedule must be provided to HPUD and a permit must be renewed monthly.
6. Adult leagues, tournaments and private use field and Recreation Center rentals. Tournaments and other private events must be approved by the HPUD and fees paid pursuant to criteria set forth in the Fee Policy at least (2) weeks prior to the scheduled event.'

3753. Denial of a User Permit: The General Manager may decline to issue a permit when he/she determines that the Person or Group applying, has within the preceding twelve (12) months conducted previous similar events in parks operated by the District and such events have resulted in noise or other activities which disturbed other users of the parks or residents adjacent to the park, or where the applicant has, or members of his/her Group have, been evicted from a park, or where there was substantial damage to the park. If the General Manager declines to issue a permit he/she shall so notify the applicant in writing and set forth the reasons why a permit was not issued.

3753.1 Appeal to the Board: An applicant or other interested Person who disputes the decision of the General Manager regarding a User Permit Application may appeal that decision to the Board by filing a written request to the General Manager for the matter to be placed on the agenda for the next scheduled Board meeting.

3754. GENERAL CONDITIONS FOR USER PERMITS: Following are general conditions pertaining to the use of District Buildings and Facilities. These conditions are not all inclusive and the General Manager may use his or her professional and reasonable discretion, within his/her authority, concerning the safe and proper utilization of such buildings and facilities. Special conditions imposed by the General Manager shall be noted on the User Permit and are binding.

3754.1 Minors: All individuals under eighteen (18) years of age shall be deemed to be minors. Events where the majority of attendees are minors must be chaperoned with a ratio of one adult for every ten minors.

3754.2 Designated Areas: Groups are confined to the area(s) designated in the permit such as the Recreation Center, ball diamonds, soccer fields and reserves park spaces, as determined by the General Manager. A map of the designated areas in each park that are subject to a User Permit is available at the HPUD office and attached to this Policy.

3754.4 Temporary Modification to a Park or Facility: Routine upkeep and maintenance of fields and facilities will be provided by the District. The General Manager, at his/her discretion, may authorize a user to perform specialized temporary treatment of a District park or facility with the user responsible for all costs associated with the specialized treatment. The user shall provide written information to the General Manager describing the desired temporary treatment, the reason for the treatment and the expected outcome from the treatment. Upon expiration of the authorized date of use, the General Manager may require the user to reimburse the District for the cost of restoring the District's park or facility to its original state or require the user to conduct such restoration. If a park or facility is allowed to be modified for any reason, the user and all contractors retained by the user for such modifications will be responsible to provide a Certificate of Insurance naming the District as additional insured for any and all additions, changes, and shall indemnify the District should any harm or suits be filed naming the District, the District's staff or Directors. If District parks or facilities are damaged beyond normal wear and tear, the user will be billed for the additional cost required to make repairs or replacement.

30754.4.1 Decorations. You may bring freestanding decorations into the facility and are responsible for removing them at the conclusion of your event. Please be advised of the following:

Users are required to clean up park and facility used, wipe counters and equipment, clean up any spillage and remove all supplies not provided by the District. Users should report any malfunctioning equipment to the District Office for repair/replacement. If cleanup is not accomplished at an acceptable standard and the use of District employees is required to meet an acceptable standard, an appropriate amount will be withheld from the deposit at the discretion of the General Manager to cover the additional labor and material costs. See Policy No. 3756 Establishment of Fees and Charges for Use of District Buildings and Facilities.

3754.8 Skateboards, Roller Skates: No person shall ride a skateboard, roller skates or other conveyance whether propelled by motorized or human power or cause or permit same to roll or coast within any park area where the District has posted signs to prohibit such activity.

3754.10 Firearms, Weapons, Fireworks: No person shall have any fireworks, rockets, explosives, firearms, air gun, BB gun, slingshot, bow, hunting arrow or any weapon in his/her possession while within any park, or in any vehicle other than in a closed trunk or storage compartment while such vehicle is within the jurisdiction of the District. Nor shall any person discharge any fireworks, rockets, explosives, or weapons in any park or building.

3754.11 Domestic Animals: No person having custody of a cat, dog, or other domestic animal shall allow such animal in any park area unless the animal is restrained by a substantial leash not to exceed six (6) feet in length and is in the charge of a person competent to restrain such animal. All persons having charge of such animals shall immediately remove and dispose of in a sanitary manner, by placing in a closed or sealed container and depositing in a trash receptacle, any feces deposited by such animal upon any park property. The provisions of the section shall not apply to unsighted persons being accompanied by a guide dog.

3754.23 No Sublet Fields or Recreation Center: Fields and the Recreation Center may not be sublet to any outside leagues or users without the prior written approval of the HPUD Manager. Violation of this rule will result in cancellation of the league or group's Permit.

3754.24 Charge for Public Entry: No renter or user of parks or recreation center may charge the public or other leagues for admission into any park or recreational area (i.e. games, playoffs, etc.), unless they are holding a fundraising event which will require an Athletic Field Recreation Center Use Permit and a Snack Bar Permit to be on file as well as written approval from the HPUD Manager.
