## CR&R's role supporting HPUD with SB 1383 compliance requirements of the State of California?

-  Identify properties that are not in compliance with California commercial recycling laws (AB 341 / AB 1826 / AB 827).
-  Identify Tier 1 and Tier 2 edible food generators and provide outreach and information on how to donate edible food.
-  Provide outreach and education, create mailers, service guides, along with in person site visits to support program participation.
-  Perform contamination monitoring and route audits.
-  Diversion reporting.

---

*As always, it is a pleasure to be of service  
to the Heber Public Utility District.*
