

# Heber Public Utility District

## BOARD OF DIRECTORS

**MEETING DATE:** September 15, 2022

**FROM:** Laura Fischer, General Manager

**SUBJECT:** Adopt Resolution Number 2022-12

**ISSUE:**

Shall the Heber Public Utility Board of Directors approve Resolution 2022-12 proclaiming a local emergency, ratifying the proclamation of a State of Emergency by Proclamation Dated March 4, 2021 and authorizing remote teleconference meetings of the Heber Public Utility District Board of Directors for the period of thirty days pursuant to Brown Act Provisions?

**GENERAL MANAGER RECOMMENDATION:**

Adopt Resolution 2022-12 proclaiming a local emergency, ratifying the proclamation of a State of Emergency by Proclamation Dated March 4, 2021 and authorizing remote teleconference meetings of the Heber Public Utility District Board of Directors for the period of thirty days pursuant to Brown Act Provisions.

**FISCAL IMPACT:**

NONE.

**DISCUSSION:**

AB 361 was signed into law by the Governor on September 16, 2021, and went into effect immediately. It amends the Brown Act to allow local legislative bodies to continue using teleconferencing and virtual meeting technology after the September 30, 2021, expiration of the current Brown act exemptions as long as there is a "proclaimed state of emergency" by the Governor. This allowance also depends on state or local officials imposing or recommending measures that promote social distancing or a legislative body finding that meeting in person would present an imminent safety risk to attendees. Though adopted in the context of the pandemic, AB 361 will allow for virtual meetings during other proclaimed emergencies, such as earthquakes or wildfires, where physical attendance may present a risk.

AB 361 requires the following:

- public agencies to make findings by majority vote within 30 days of the first teleconferenced meeting under AB 361 and every 30 days thereafter that a state of emergency still exists and continues to directly impact the ability of the members to meet safely in person, or that officials continue to impose or recommend measures to promote social distancing;
- a public comment period where the public can address the legislative body directly;
- prohibits councils and boards from limiting public comments to only comments submitted in advance and specifies that the legislative body "must provide an opportunity for the public to ... offer comment in real time." (Government Code 54953(e)(2)(E));
- the legislative body must allow a reasonable time for public comment during the

comment periods;

- The agenda must include information on the manner in which the public may access the meeting and provide comments remotely;
- If technical problems arise that result in the public's access being disrupted, the legislative body may not take any vote or other official action until the technical disruption is corrected and public access is restored.

AB 361 will sunset on January 1, 2024.

**UPDATED COVID CAL OSHA GUIDELINES:** [Guidance on Isolation and Quarantine for COVID-19 Contact Tracing \(ca.gov\)](https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Contact-Tracing.aspx)

**UPDATED COUNTY OF IMPERIAL COVID GUIDELINES:** <https://www.icphd.org/health-information-and-resources/healthy-facts/covid-19/state-&-county-orders/>

**CONCLUSION:**

In light of AB 361, the continuing COVID-19 State of Emergency declared by the Governor, the continuing recommendations by the County of Imperial Public Health Services of social distancing as a mechanism for preventing the spread of COVID-19, and the continued threats to health and safety posed by indoor public meetings with large attendance, staff recommends the Board adopt the proposed Resolution making the findings required to initially invoke AB 361.

The procedures currently set up for Heber Board meetings, which provide public attendance and comment through a call-in or internet-based service option, satisfy the requirements of AB 361. Continued reliance will require the Board to adopt a new resolution making required findings every 30 days.

**ALTERNATIVES:**

1. Do not approve Resolution 2022-12 which will require that all Board members and all members of the public will need to attend the Heber Public Utility District Board meeting in person. The public will not have remote teleconference access.
2. Provide alternative direction to staff.

Respectfully Submitted,

Laura Fischer, General Manager
