

HEBER PUBLIC UTILITY DISTRICT

REPORT TO BOARD OF DIRECTORS

MEETING DATE: June 18, 2026

FROM: Madeline Dessert, General Manager

SUBJECT: Request for Proposals for Professional Auditing Services

BACKGROUND:

The Heber Public Utility District Request for Proposals for Professional Auditing Services will be issued to obtain qualified and independent professional auditing firms to perform annual financial audit services for the district. The RFP outlines the scope of work, audit requirements, reporting standards, and submission procedures necessary to ensure compliance with applicable federal, state, and local regulations. The purpose of the audit is to provide an overall review of the district's financial statements, controls, and fiscal procedures to promote transparency, accountability, and sound financial management. Through the RFP process, HPUD seeks firms with experience in governmental accounting, public auditing standards, and special district operations. The selected auditor will assist the district in meeting reporting deadlines, maintaining compliance with Generally Accepted Accounting Principles, and providing recommendations that support continuous financial improvement. This process ensures the district secures professional services through a fair, competitive, and transparent procurement process.

At the May 21, 2026 Board of Directors meeting a Request for Proposal was approved seeking an Audit firm. The previous version of this RFP included a requirement that the Audit firm have either principal office or subsidiary office located within a 150 miles within Imperial County. Staff feels this requirement may disqualify qualified auditing firms.

FISCAL IMPACT:

1. There is No Fiscal Impact as Now. HPUD will Request Board Approval on Recommended Firm Along with the cost during Fiscal Year 2026-207 Budget Presentation. The cost of auditing services can range from \$20,000 - \$30,000/year.

REQUESTED ACTION:

1. Authorize Staff to Release the Request for Proposals for the Professional Auditing Services without the office location requirement
2. Authorize Staff to Release the Request for Proposals for the Professional Auditing Services as previously presented requiring the Audit firm have either principal office or subsidiary office located within a 150 miles within Imperial County.

Respectfully Submitted,
Madeline Dessert

II. BACKGROUND

The Heber Public Utility District is an independent Special District organized under the Public Utilities Code provisions of the general laws of the State of California and is governed by a five-member Board of Directors elected at large by the registered voters of the District. The District is located in the Imperial County; The District provides customers with Water, Wastewater and Solid Waste services as Proprietary Funds and also manages Parks and Recreation/Retentions Basins, and Street Lighting as a Governmental activity.

The District has three business type activities and uses the proprietary fund format to report those activities for financial statement purposes. Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs and expenses, including depreciation, of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

The District receives property taxes for the governmental activities and uses the governmental fund format to report those activities.

The District annually receives over \$400,000 in property taxes from the County to help finance its operations.

The District receives long-term loans as well as grants from various Federal and State agencies.

The District's fiscal year begins on July 1st and ends on June 30th. The District has a FY 2025-26 operating budget of approximately \$3.5 million and a five year capital budget of approximately \$5.1 million. The District has total wages and benefits of approximately \$1.8 million covering 14 full-time employees and 5 Board of Directors.

More detailed information on the District and its finances can be found in the June 30, 2024-2025 Heber Public Utility District Audited Financial Statements and Independent Auditors' Report, and in the Adopted Budget for FY2025-26.
