

# HEBER PUBLIC UTILITY DISTRICT REPORT TO BOARD OF DIRECTORS

**MEETING DATE:** June 18, 2026

**FROM:** Madeline Dessert, General Manager

**SUBJECT:** Approve the Board of Directors to go Dark in August

## **BACKGROUND:**

In prior years the Heber Public Utility District Board of Directors has approved the Board of Directors to go dark in the month of July. However, our rate study consultant has proposed making their final presentation to our Board of Directors at our July 16<sup>th</sup> meeting. There is no rule that the Board must go dark in the summer, and the board can vote to continue to meet.

If this board allows the rate study consultants to give their presentation at the July meeting, there is no compelling reason that the Board meet in August.

As we will have a full agenda of items on the June and July agenda and there are no additional deadlines that must be met that would warrant a meeting in August, staff recommends going dark for the month of August.

## **FISCAL IMPACT:**

None

## **RECOMMENDED ACTION:**

1. Approve the Board of Directors to go Dark in August
2. Give Direction to staff to go Dark in July and schedule rate study final presentation for August
3. Do not go dark for a summer month

Respectfully Submitted,

Madeline Dessert  
General Manager
