INTRODUCTION

The information provided in this report is derived primarily from documents developed at the time the District was formed and from data provided by the Utility District or accessed through the Utility District. The information sources include the Rate and Method of apportionment, annual budget, debt service schedule(s), and special tax/assessment delinquency data. The development status, prepayments and historical information were accessed through the Utility District and/or the developer and are maintained by Willdan Financial Services.

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 era. State Legislators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53368 of the California Government Code. The Act authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) or (“District”) within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only, and is governed by the agency that formed it.

A. FORMATION

On August 18, 2005, the Utility District formed the District by the adoption of Resolution No. 2005-10. The qualified electors within the District approved the levy of the special tax in accordance with the rate and method of special tax.

B. BOUNDARIES AND DEVELOPMENT SUMMARY

The District is comprised of approximately 86 acres located in the community of Heber, California, and unincorporated area of the south-central portion of Imperial County, three miles southeast of the City of El Centro, California. Zone 1 of the District (“Zone 1”) encompasses an area of approximately 32 acres owned in part by Heber Meadows I, LLC, a California limited liability company, and in part by its affiliate, Heber 142, LLC, a California limited liability company (collectively, the “Developer”). The Developer currently is developing the property within Zone 1 as a residential community with 219 single-family homes called “Heber Meadows.” Zone 2 of the District (“Zone 2”) encompasses the balance of the property within the District, approximately 54 acres, and is also owned by the Developer. *The property within Zone 2 has been assigned a Special Tax of \$0.* The Developer plans to construct a retention basin and public park on approximately 10.7 acres of the property within Zone 2 and the Developer preliminary is proposing to develop the remaining 30.1 acres of property within Zone 2 into a high-density apartment development.

C. BONDS

The Bonds were issued to (a) finance the acquisition and construction of certain public facilities of benefit to the District, (b) fund capitalized interest on the Bonds through March 1, 2007, (c) fund a debt service account (the “Reserve Account”), and (d) pay costs of issuance of the Bonds.

D. FINANCED FACILITIES

B. FORECLOSURE COVENANT

Pursuant to Section 53356.1 of the Mello-Roos Act, in the event of any delinquency in the payment of the Special Taxes in the District, the District may order the institution of a superior court action to enforce the lien therefore within specific time limits. In such action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale. Under the provisions of the Mello-Roos Act, such judicial foreclosure action is not mandatory. However, the District covenants in the Indenture that the District will take the following actions:

Individual Delinquencies: The District will commence judicial foreclosure proceedings against parcels with delinquent Special Taxes in excess of \$10,000 by October 1 following the close of each Fiscal Year in which such Special Taxes are due, and will diligently pursue such proceedings until the delinquent Special Taxes are paid.

Aggregate Delinquencies: The District will commence judicial foreclosure proceedings against all parcels with delinquent Special Taxes by October 1 following the close of each Fiscal Year in which it receives less than 95 percent of the Special Taxes levied and the amount on the deposit in the Reserve Account is less than the Reserve Requirement, and will diligently pursue such proceedings until the delinquent Special Taxes are paid.

Notwithstanding the foregoing, the District may elect (but is not obligated) to advance the amount of any particular delinquency (excluding penalties and interest) and deposit such amount to the Special Tax Fund. Upon a deposit of such money in the Special Tax Fund, the District will not need to initiate a foreclosure action as provided above; provided, however, the District may reimburse itself for such advance when the Special Tax on such property is paid in the amount of such advance plus interest on such amount at a rate equal to the yield on the Outstanding Bonds. Interest and penalties paid in excess of the amount advanced by the District shall be deposited in the Special Tax Fund.

C. DELINQUENCY MANAGEMENT ACTIONS

There are no parcels with delinquent Special Taxes in excess of \$10,000. The total Special Tax collected is not deficient by more than five percent (5%) of the total Special Tax levied in the District for Fiscal Year 2024/25. Willdan Financial Services has not performed any Delinquency Management Actions during Fiscal Year 2024/25 due to the District having no delinquencies.
